

Multiple Approaches in Travel Abroad

R.Balaji

In the recent years after the onset of boom in the IT and Bio-technology, going abroad of students for higher studies, and job seekers in search of lucrative jobs or assignments has become very common.. Almost in every family we find at least one of their family members living or settled in foreign land.

Foreign travel could also be for several other reasons, Viz. for deputation or specific assignment, medical assistance, literary or cultural pursuits, pleasure trip and spouse joining the partner after marriage.

The guidelines laid down by different systems of astrology are elucidated below.

KP System

If the 12th Cuspal sub lord is the significator of 3rd, 9th or 12th then foreign travel is promised during the conjoined period of the significators of 3,9, and 12.

For permanent settlement the Ascendant Sub Lord should signify 3,9 or 12, chiefly the 9th house.

If the sub lords of the Ascendant and 9th signify both 9 & 12 then the native is destined to settle abroad. But if the Ascendant. Sub lord signifies 3 & 12 only but not the 9th, then the native's trip to foreign land will be for a short stay only. Hence connection to the 9th house is very important for permanent settlement.

If the 12th sub lord is posited in a movable sign, the native's stay in foreign land is a permanent one and the 12th cusp falls in a fixed sign.

If the 12th sub lord signifies 4, 9 & 11 indicates - successful school & higher education in a foreign land.

5, 9 & 11 indicates - foreign trip in connection with cultural or literary pursuits pleasure trip

6, 9 & 11 indicates - Medical assistance

6, 9 & 10 indicates employment or job

3, 7, 9 & 10 indicates deputation or specific assignment or business trip for a short period

As Per Vedic Texts

The 12th house denotes foreign land or a place that is away from home land. The 12th house is the 9th from 4th house which stands for home. 9th denotes foreign travel/long distance, therefore the 12th house denotes a place away from home.

Not only the 12th house denotes foreign travel but it also shows settlement abroad especially if the 4th lord is placed in the 12th house.

7th house and its lord indicates foreign travel

Ascendant lord in 7th house and ascendant lord associated with a benefic denote foreign travel

4th lord in a Kendra or in a benefic house or associated with the 12th lord indicate foreign residence

9th lord in 12th or associated with 12th or in Rahu/Ketu axis denotes foreign travel

5th house or lord in a movable sign or in Rahu/Ketu axis gives education in foreign land

Movable & common lagnas lords give foreign travel during the Main/Sub periods

Placement of Moon in 12th house in a fixed sign indicates settlement abroad

Placement of Moon in Kendra promises foreign travel

Placement of Rahu in Pisces or in 12th house indicated foreign travel

Ascendant being Pisces indicates foreign travel

Jupiter the 9th & 12th lord of Natural Zodiac occupying Ascendant promise foreign residence.

Badhaka lord and its main & sub periods also indicates foreign travel

As per Naadi Readings

In Naadi the different combinations of planets indicates foreign travel and Karakatwas of a planet play an important role Here the combinations or naadi aspects means the planets are posited in 1-5-9 , 3-7-11 and 2-12 positions.

The combinations are:

- Jupiter, Moon and Rahu - Native will have foreign travel
- Saturn, moon and Rahu - Native will have foreign travel
- Sun, Moon and Rahu - Father or Son of the native will have foreign travel
- Mars, Moon and Rahu - Native brother or in case of female native husband will have foreign travel
- Venus, Moon and Rahu - Native's Daughter, Sister or Wife will have foreign travel

- Jupiter, Moon and Ketu - Native will visit of foreign
- Saturn, Moon and Ketu - Native will have visit of foreign tra

In the above combinations Moon and Noc common. Moon dislocates the native and not alien in nature.

In the above combinations even if the combinations gets interchanged, the results the same. We may also consider 2 & 12 in res retrograde planets and 7th aspect if any of the p either with Rahu/Ketu.

In the light of the above said rules by d systems. Let us analyze two practical case of f and his daughter
