## Pun ar phoo

The connection between Moon and Saturn is said to be Punarphoo. Connection means when Saturn is conjunct with moon or Moon in the star of Saturn and Saturn in the Star of Moon or Moon in the sub of Saturn or Saturn in the sub of Moon. This apart, Saturn 3rd, 7th and 10th aspect on Moon. Hence this phenomena of Saturn and Moon connection happens frequently where three rasis get affected by this Punarphoo affliction.

Whenever Saturn has got any connection whatsoever with Moon, there will be some set back or impediment not only during negotiations but also at the time of fixation of an event.

1. If Saturn is connected with Moon and any of the houses 2, 7, or 11 delays marriage
2. Saturn in 1, 3, 5, 7 or 10th house delays the fixation / celebration of marriage
3. Delay and dejection, disappointment / denial are caused by Saturn, if it occupies 5th House, wherefrom it aspects 7, 11 & 2 houses by its 3, 7 & 10th aspect respectively.

Whenever Saturn happens to be a signifier of particular matter, it will not deny but will cause delay. If it is connected with 2, 7, or 11, it will cause delay at every stage and ultimately, it is the 'redeemer' and does Good. But, if it has a connection with 2, 7, 11, it only throws its aspect and causes denial and even disappointment.

SATURN, a planet for delay and destruction more powerful causing this PUNARPHOO dosha. In general, SAT is in Lagna, 2nd house, 5th house, 7th house, 8th house and also 11th house will give lot of troubles and delay in life.

SAT in 2 and aspects 8th (mangalya sthane and also accident). It also aspects 4th house (mother Education etc.) and gives much delay and failure in Educational pursuits.

SAT aspects 11th house (House of desire and also house of progeny for life partner) delays progeny and gives company of bad friendship etc.

SAT in 5th (house of progeny for the Native) also aspects 7th (marriage, Business etc.) and also

aspects 11th (Progeny of life partner and house of desire Labha sthane). It also affects and delays the matters of 5, 7, 11.

SAT in 8th aspects by 3rd aspect to 10th (house of profession) and 2nd house (Kutumbam and finance matters) and by his 10th aspects he destroys the 5th house matters - house of progeny, Love affairs, Music and Cinema field etc.

SAT in 11th house (house of desire and labha sthana) aspects lagna by his 3rd aspect and 5th bhava by his 7th aspect and above 8th bhava (Logevity and mangalya sthane) by his 10th aspect. So these matters connected to him. Lagna 5th house of 8th house matters will cause delay, anxiety and also destructions by the aspect of SATURN.

#### **Cancellation of Punarphoo:**

Whenever Saturn is conjunct with Sun or when Saturn is conjoined with nodes and nodes in the Mars of Sun the Punarphoo is said to be cancelled. In some cases it has been seen even whenever Saturn is Retrograde this Punarphoo effect is nullified.

#### **Remedies:**

Perform Goddess Parvathi Kalyanam at Shiva Temple, Preferably at Srisailam.

**It may not be out of context to mention that:-**

"SADE-SATI" (A horoscope is said to be under SADE-SATI effect when Saturn transits through the 12th, 1st, and 2nd house from the Natal MOON, then it is said to be under

"DHAIYA" effect when Saturn transits over the 4th or the 8th house over the Natal Moon. The effect of Sade-Sati remains for 7 ½ years and that of Dhaiya remains for 2 ½ years. Generally, Sade-Sati comes thrice in a horoscope in the life time. This generally affects health, mental peace & finance.)

2. "MANGLIK VICHAR." / KUJA DOSH: ( In the boy's or the girl's horoscope when MARS is placed in 1, 2, 4, 7, 8, 12 houses and counted from Ascendant, Moon or Venus, it is said to be KUJA Dosh. Most of the KP followers count from the Ascendant only.. It affects the married life of the partners.

3. "PUNARPHOO" : (Connection between SATURN & MOON. under discussion )

Some Astrologers have mastered the art of hoodwinking the innocent clients by liberally quoting the effect (ill-effects) of 1). SADE-SATI, 2). KUJA DOSH and 3). PUNARPHOO with an ulterior motive. Instead of helping the already confused and distressed clients, a sort of "Fear Psychosis" is created.

Hence, the scientific analysis and judicious application of these 'three - terms ' are considered very essential to clear the 'dreaded effects' from the minds of the confused persons. Herein lays the great responsibility for the KP Astrologers.

Let us see some practical charts showing Punarphoo on the above said lines.

**Case - 1:** This native is a girl, not yet married and

it is getting delayed because Saturn lord of 11 & 12 posited in 8th house aspecting Moon and second bhava

**Case 2:** This native is a boy, not yet married and it is getting delayed because of Moon in this star and sub of Saturn. Saturn aspects 11th & 6th & 7th may delay the marriage prospects.

**Case 3:** This is a chart of a girl, is not yet married who's 7th lord moon is aspected by Saturn posited in 10th lord of 1 and 2 and Saturn also throws it's aspects on 7th bhava is the cause of delay in matrimony prospects.

**Case 4:** This is a chart of a boy, who got married at the age of 29 eventhough there is a Punarphoo. Saturn the lord of 9 & 10 posited in 9th aspects Moon in 11th house.

Apart Moon is in the sub of Saturn. However Saturn is conjoined with Kethu, who is posited in the constellation of Sun, hence the affliction is nullified which has not caused the delay in marriage.

**Case 5:** This is a chart of a boy, not yet married. Saturn lord of 11 & 12 posited in 7th in the star of Moon is causing the delay of marriage.
